*Unto the People of the Heartland come warm tidings from David and Rhianwen, Falcon Heirs*

*Thank you for an outstanding Lilies War! Seeing the skill of the artisans, joining the clash of arms, sailing the Fyrdaca, witnessing the precision of the archers, browsing the merchants' wares, and hearing voices raised together in merry song late into the night brings joy to our hearts. Many people worked together to make Lilies successful, and we thank them for the generous gift of their time. As we write this missive, we are traveling west to enjoy the hospitality of our Outlands neighbors at Battlemoor. But even as we travel westward, we can hear the war drums sounding in the East. We hope to see many of you as Calontir takes the field in these foreign lands. And if travel to faraway places is not in your plans this year, we will look forward to seeing you at an event closer to home. And please bring a friend - joy shared is always multiplied! Wherever your travels take you, please go safely.*

*David and Rhianwen*

## *Greeting's*

*We are humbled and would like to thank everyone who came out to support our investiture to Baron and Baroness at Mad Dogs and Englishmen! There were around 41 Vataavians that came out for the fun. We had a couple of Vataavians that received awards as well, Tove Brianesdohter received her Silver Hammer and Yurik Randolphson received his Iren-Hirth.*

*During our time as your Baronage, we will endeavor to answer any questions that you may have, learn new skills, and educate us all on what interests that we all may come up with! We also would like to continue working on Baronial projects to improve the look of the Barony for Events and Demo's like Valor and Ren-Fair.*

## *Open Officer positions*

*If you are curious about the operation of our Barony or the Society, ask us or any of our Officers any questions that you may have. If you would like to start learning a job, let one of us know and we can get you started. We can always use more assistance!*

## *Upcoming meetings*

*All of our officer and financial meetings are open to everyone. If you would like to read what we have done in the past or have approved, all our past meetings are posted to our website [Barony Of Vatavia \(calontir.org\)](http://BaronyOfVatavia.org). We currently meet every Wednesday at the University Congregational Church, Inc., 9209 East 29th St N, Wichita, KS 67226, USA from 7:00 pm to 9:00 pm for Arts and Science classes and meetings, and currently on Sundays at OJ Watson Park, 3022 S McLean Blvd, Wichita, KS 67217, USA for Fighter Practice / Stitch & Kvetch from 11:00 am to 3:00 pm. This meeting/Court will be used for learning various aspects of court and conduct court business and why it is done that way.*

## *Upcoming Events*

*Local Events coming up are our Ren-fair demo at Sedgwick County Park on September 30th and October 1st. Our next Ren-Fair demo will be next Spring. You can find out what events are going on in the Kingdom if you follow this link, [Kingdom Calendar - Kingdom of Calontir](#). ## FROM THE SENESCHAL

Greetings to all!

I am writing this just days before our Fall Renaissance Festival demo and a day after the investiture of our new Baron and Baroness, Robert and Heidi. So much excitement happening within our Barony.

As you know, we have several Officers stepping down after 2-3+ years of service and are in need of new Officers. I applaud each and every one of our Officers for all your hard work and dedication. Thank you for your service! We have already had a few interviews take place for those interested in the Officer positions and will have more in the next couple weeks. Also, Deputy positions are always welcome if you have an interest in learning more about an Officers role.

We have a bid due in December for the 2024 Winter Crown Tournament. We know of one in the works but if you would like to put a bid together we will always welcome it and decide as a group which one to submit to Kingdom.

Speaking of bids taking place. We would like to see if anyone is interested in putting in a bid for the 2025 Winter War Maneuvers event. We have had great turn out the last couple years and would like to see it happen again in Vatia. If you have an interest or questions please let me know and I am happy to help.

YIS,  
Tove Brianesdohter

## FROM THE HOSPITALER

Good gentles all,

It has been an honor to serve as Baronial Chatelaine for the past three years, but I fear the time is coming for me to step aside. I have already put out the call for those inter-

ested to send their Letters of Intent to the new Baronage, Robert and Heidi, and also to the Kingdom Chatelaine, Ottar. As of this writing, I know that our new Baron and Baroness are in the midst of interviews, and I am sure they will choose a fine individual to take over this office.

I am very grateful for all Vativians who step up to put our best face forward at our events, and also at our demos. The Great Plains Renaissance Festival is imminent as of this writing, and by the time our newsletter comes out, I am sure we will have put on a great show.

Remember, we have new folks coming in at all times, whether at Wednesday gatherings or Sunday fighter practices. Do take a moment to say hi, make them feel at home, find out their interests. We were all new at some point or another.

Thank you for allowing me this opportunity. Ever in service,

Johann Steinarsson

Companion of the Order of the Pelican

Chatelaine/Hospitaler of Vatia, soon to be stepping aside

## FROM THE DEMO

### COORDINATOR

Fall Renn Faire is Sep 30 and Oct 1.

Looking forward to seeing everyone there

## FROM THE EXCHEQUER

Currently our bank balance stands at \$21,605.17. By the time this is published we should be winding down the year with the conclusion of another Renaissance Festival soda booth. The barony has my heartfelt thanks for all the effort put in aiding us in running the booth and raising money for the barony.

As my time as Exchequer comes to an end, I would like to thank everyone for their support these last two years. It has been a pleasure serving you in this capacity. I look forward to handing things over and assisting the barony in a different fashion.

If there are any questions, I can be reached at my email address of [exchequer@vatavia.calontir.org](mailto:exchequer@vatavia.calontir.org).

YIS Úlfr Halfdan

## FROM THE KNIGHT MARSHAL

Greeting Vatavia!

I hope that this missive finds you all well, and that Vatavia had a Fantastic showing at the Great Plains Renaissance Festival, under the auspices of our new Baron & Baroness, Their Excellencies Robert and Heidi ...first of their names.

With the Fall season upon us, a few changes are in store for Fighter Practice locations and times. As of Sunday, October 8, due to the seasonal machinations of OJ Watson Park, Practice will move to the front of the park across from the restrooms, as it usually does this time of the year. Start time will also move to 11:00 am, as the weather cools off. This move also ends the Archery Season for the year, as the Horse Paddock is no longer available. As of the start of 2024, Practice is planned to move to our indoor Winter site at Exploration Place, near downtown Wichita, with a tentative start time of 12 noon.

Marshals...September is the end of the Third Quarter 2023, so please be sure to have your Marshals Reports reports submitted by Oct. 15. Even earlier is always encouraged.

My time as Knight Marshal will be up in May 2024. While that is yet half a year away, I would be very interested in speaking with any marshals thinking they might like to take on the position, and answer any question they have. The office of Knight Marshal isn't difficult; it consists mainly of scheduling and running our local Fighter Practices, maintaining the loaner gear, and reporting to Kingdom and Baronial levels. If you have never done so before, I'd be very keen on seeing someone new take on the role, to continue building the ranks of excellent, experienced marshals in Vatavia.

In service,  
Lord Corrigan MacKenzie, Knight Marshal  
"Mors Certa, Vita Incerta."

## FROM THE CUT & THRUST MARSHAL

In this bygone quarter,

our valiant fighters continued to distinguish themselves upon the field of steel combat, reflecting the timeless burning spirit of our land. Our Barony's brave hearts journeyed to Battlemoore, a distant campaign in the Western realms, where we pledged our unwavering support to our steadfast allies, just as they have stood by us in our own hours of need. A gallant few amongst us took up arms at Feast of Eagles and Mad Dogs & Englishmen. Our own L. Hieronymus successfully put on steel tourneys at Cattle Raids. We look forward to Gryphons fest steel tourneys run by our L. Hieronymus, Ren fair run by the Honorable Lord William, Coronation promises to test the mettle of Calontirs honorable fighters in the Heavy Rapier field, and Toys for Tots with its traditional tourneys and new melees. In the spirit of relentless innovation, we embark on daring forays into the realm of steel combat. Plans are in motion for a reduced armor experiment, with potential for a grappling experiment and a polearms experiment.

Hydrate, Herald, and Havoc,

L. Hieronymus

## THE ARTS AND SCIENCES MINISTER

Happy Fall, fellows of Vatavia!

After much contemplation and thought, I would like to officially announce my retirement from Minister of Arts & Sciences for our fine Barony. Although it is not an easy decision to make, I believe the time has come for me to step down and allow someone else to take on this role. First and foremost, I would like to express my deepest gratitude to the entire Barony for giving me the opportunity to serve as an officer. Throughout my tenure, I have witnessed the incredible kindness, support, and warm welcome extended to me by each and every member. It is this sense of camaraderie and genuine friendship that has made my experience truly remarkable.

I have been fortunate to work alongside such a talented and dedicated group of individuals who have always been there to offer guidance, assistance, and encouragement. The expertise, commitment, and passion demonstrated by everyone have undoubtedly contributed to our becoming a preeminent Barony in Calonitr and I am honored to have been part of this wonderful group, and I sincerely thank each one of you for making it a memorable journey.

Special appreciation goes to our previous AND current Barons and Baronesses, Their Excellencies Doc, Genevieve, Robert, and Heidi, who have always gone above and beyond to ensure our group and events run smoothly and are enjoyable by all. Your invaluable insights, tireless efforts, and unwavering support have made a significant impact on both my personal growth and the achievement of our goals.

Although my time as an officer is coming to an end, please know that my dedication remains unaltered. I look forward to continuing to actively participate and contribute even if in a different capacity. The relationships I have built here are priceless, and I am excited to witness all the future accomplishments that lie ahead for our remarkable chosen family.

Once again, I want to express my heartfelt gratitude to every member of the Barony of Vatavia. Your kindness, welcoming nature, and assistance have made my journey as an officer truly

pleasurable. I will forever cherish the memories and experiences shared with all of you. At the time of this writing a new Arts & Sciences Minister has not been selected, but interviews have begun and a new, fresh, enthusiastic Minister will be here to support our ongoing efforts to enrich our populace's Arts & Sciences activities. Even after someone is selected, please feel free to reach out to me anytime at my personal email or phone [aliamartialis@gmail.com](mailto:aliamartialis@gmail.com) and 805-440-9174, if you require any assistance.

Wishing us all the very best in whatever the future may bring.

Yours in service,

Lady Ália Martialis  
Arts & Sciences Minister until October 31, 2023
