## Three years, our good friends,

For three years we have had the distinct honor and privilege of being entrusted to serve as the tenth Baron and Baroness of Vatavia here in the Heartlands.

Stewarding the lands that burn has been one of the best, most rewarding experiences of our time in the SCA. But, as with all things in life, it is good and wise to know when it is time to hold on and when it is time to let go. After three years, we know it is time to let go. We look forward to the future of our Barony, of the people and home we cherish and love ever so much.

As announced during Court at Coronation, Baron we I have asked to be released from service as Baron and Baroness of Vatavia. TRM Donngal & Catalina have graciously accepted our request. We encourage interested members to submit their Letters of Intent to Their Royal Majesties and the Kingdom Seneschal no later than Wednesday, April 3rd. Interviews will be conducted at Crown Tourney in B3R (Overland Park, MO) on April 13th the following week.

TRM Donngal & Catalina, [Falcon-Crown@calontir.org](mailto:Falcon-Crown@calontir.org)  
Tola Rufusdóhtor, [Seneschal@calontir.org](mailto:Seneschal@calontir.org)

We are waiting to hear when TRM wish to hear from the Populace regarding the candidates, and will update everyone as soon as we have more information.

**Wait? Did we just say that Their Majesties wish to hear from the Populace? Yes, yes we did.**

What this means is that each one of you, individually, must reflect on how you think the Barony is doing well right now, and in what ways could we be doing better. (*There are always things we could be doing better.*) *What would you like to see for the future of our Barony?*

*Keeping this in mind, when Their Majesties announce who has submitted letters for Baronage and start accepting letters, it is each of our responsibility to state the strengths of each of the candidates and which set you believe will best serve the needs of the Barony for the next few years.*

*Be honest, respectful, do not exaggerate. Remember these are your words to Your Crown, and are signed as such. Also, please remember that ultimately the decision for our next Baronage rests solely with the Crown. Our words do not serve as a vote, they serve as learned and investigative knowledge that Their Majesties may not otherwise have at hand when deliberating Their decision.*

*It's been a pleasure Vatavia. Thank you.*

*Always in ever faithful service,*

*Baron Uldin of Ravenscroft, by Grace of Their Royal Majesties General for Gulf Wars XXVIII, and  
Baroness Sung Sai-êrh*

## **FROM THE SENESCHAL**

Greetings Vatavia!

There is a lot going on this season, and I know we will have fun with it. Gulf wars is this weekend, and next month we have Renfaire, then in May Valor! If you have time to assist with either of those or any of the many demo's Her Excellency Marie Chantel has organized, contact us and we will find work for you!

We are seeking a volunteer to become the Social Media Deputy for the Barony. This is a deputy position under the Seneschal's office, working with the Kingdom's Social Media deputy to manage Facebook profiles and other pages as needed for the group. Social Media has become a major part of every day life, and our society is changing accordingly. If you are interested in this position, send a letter of intent to the Baron and Baroness, myself, and the Kingdom Social Media Deputy.

For more information see this post: <http://seneschal.calontir.org/socialmedia.php>

Thank you for your time,

Lady Catlin Marie du Moretaine

## **FROM THE CASTELLAN**

Greetings unto the populace of Vatavia,

With a new Kingdom Chatelain, comes new directions for recruiting. Chatelain's from across the Known World are currently discussing various passive and active recruitment styles that are working in their respective areas. I look forward to these new focuses as what we do is always more fun with more people!

Do your part by doing what you love in the Barony and sharing it with everyone. Encourage people to come join us for a practice or a meeting, offer rides when you are able, and help people get kitted out as they begin their SCA career.

But mostly, just talk to people about all the positive things you see happening in the Barony!

In service,  
Lord OyrikR Randulfsson CT

## **FROM THE CALTROP PURSUIVANT**

Greetings from your friendly neighborhood herald! Ren-Faire is coming up and strong voices will be needed. Interested in volunteering? Let me know! Valor is another great opportunity to try your hand at voice heraldry.

**Oyez, Oyez, Populace of Vatavia,**

We are pleased to announced the registration last December of :

Nakamura Aki

**Congratulations!**

YIS,

HE Zoe Mikre and the Caltrop Staff

## **FROM THE EXCHEQUER**

Good Day to all.

Here is where The Barony sits on available monies as of the beginning of March, 2019. We currently have a \$15,281.00 in the bank. We have not yet received the March bank statement as of the writing of this message to you all, so the balance is according to the register and the February bank statement. If you have any questions please feel free to message me through the Baronial website email [exchequer@baronyofvatavia.org](mailto:exchequer@baronyofvatavia.org).

YIS,

Lady Margaret MacKenzie

## **FROM THE KNIGHT MARSHAL**

Thank you for a wonderful first few months! I look forward to our time at the Exploration Place coming to a close and the transition back to OJ Watson Park. With the transition we will be moving back to IOam practice outside. I have a tentative date of March 24, 2019 being our 1st outdoor practice if weather and temperatures co-operate. I am holding to the 50 degree rule. If it's too cold, I will cancel practice. If it's too wet/mushy out I will cancel practice. Your safety is my number 1 priority. I am still looking for any interested people who would like to join the ranks of the Marshallate. If interested please come talk to me. Any questions, comments or concerns need to be brought to me or to the Regional Deputy, Lord Magnus O'carr.

Thank you everyone and I look forward to a great next few months!

Lady Thorlein Knochenhauer

## FROM THE ARCHER MARSHAL

The day draws near that we will once again be on the line to practice. So please look over all your gear to verify that it is still serviceable and nothing unforeseen has happened to it over the winter months.

**See you all on the line soon.**

Lord Konrad von Roth

Vatavia Archery Marshal

## FROM THE ARTS AND SCIENCES MINISTER

We have had classes starting back up at the Legion. Catlin taught basic Embroidery, I taught hoods and wire weaving, Johann and Sparrow had a singing class, and we have some great classes coming up after Gulf! Stay tuned for dates, but we are looking at a upcycled plastic bag rug class from Sorcha, a heraldry class from Johann, and an eyelet class from me.

**Please contact me if you want to teach. It isn't hard, I promise!**

Also, I would love for you to 'tattle' on your friends that are doing great Arts and Sciences. Drop me a note and submit an award recommendation!

Yours humbly,

Eyfríðr Geirsdóttir

## FROM THE DEMO COORDINATOR

Greetings Vatavia,

Although it does not seem like it soon it will be time for the Spring Renaissance Festival at Sedgwick County Park. This major annual presentation for us will be April 13th-14th, just one week before Easter. Those who would like to share what we do with the Festival guests will find numerous opportunities. It is also a major fund raising time for us since we receive a gratuity for operating the pop booth concession stand for the Festival owner. All are welcome to come. For providing designated amounts of volunteer time members get free admission to the Festival.

There is an opportunity to assist our cousins to the north in Golden Sea with presentations on May 4th-5th. There are two separate presentations. Contact Marie for information.

For those who like trivia, learn little known facts or the real story behind some Medieval historic events at the April 7th presentation at Exploration Place.

YIS,

Marie CD

## OFFICERS' MEETING MINUTES

January 9, 2019

American Legion post 256, 4301 W. Pawnee, Wichita, Kansas

29 members: 12 Baronage/ officers/deputies; 5 members of the populace participated; 8 members working on personal silk banners; 2 children

Last minute plans and details for Coronation here January 12<sup>th</sup> were covered. It was stressed that children were to be supervised and stay in the event areas. The site is discreetly wet with no smoking or vaping on site. All volunteers were thanked in advance for their help. All remaining largess needs to be delivered to Mistress Genéviève. The Arts and Sciences Minister announced the up coming Kingdom events, Clothiers and Queen's Prize, and encouraged all members to attend and participate.

The next Exploration Place presentations are scheduled for January 27<sup>th</sup> on espionage and April 7<sup>th</sup> on Medieval trivia. The date of the Great Plains Spring Renaissance Festival has changed to April 13<sup>th</sup>-14<sup>th</sup>. This is the same weekend as Crown Tournament, which several members will be attending. Members planning to help with the presentation for the Festival should notify the Seneschal as soon as possible so planning and scheduling can be started.

The Caltrop Pursuivant announced that Bertram and Kennocht's names are on the current internal letter. The January external letter did not have any Vatavian items on it. There will be a consultation table at Coronation. The Web Minister has updated the web site with all presentations and awards done at December's populace meeting. The latest *Dragonflyre* was posted the end of December, a new publication deadline for that office. The Arts and Sciences Minister has the same new deadline for that office's reports. HE Sung announced that after Coronation work would be scheduled to start on the new canvas Baronial shade flies.

The Exchequer reported a balance of \$ \$12,708.74. The Domesday report is completed and balances. There is still one outstanding check, reissued in December. All other checks including the Coronation and Valor site checks have cleared. A quick review of the site registration new forms would be held right after the meeting.

The new Knight Marshal, Thorlien, repeated the announcements made at last fighter practice and posted on the Dragonfly-online and Facebook page. It was especially noted that there would be full inspections at all fighter practices, including off the head helm inspections. She is accepting applications for deputies. She would also like to see more marshals becoming warranted.

There will be fighter practice the Sunday after Crown at Explora-

Place. It was also stressed that any time there is an armored combat practice there is also cut and thrust practice at the same time and location.

The Seneschal again noted that the Spring Renaissance Festival would have a smaller Vataavian presence than usual. All planning to attendee need to let her know as soon as possible.

There being no other business the meeting adjourned.

## February 13, 2019

American Legion post 256, 4301 W. Pawnee, Wichita, Kansas

27 members: 9 Baronage/ officers/deputies/ event stewards; 16 other in classes or worked on projects.

The calendar of upcoming events is very full: Gulf Wars, Ren fair, Crown, Valor, Champions'. Those members not planning on attending Crown in St Louis need to contact the Seneschal so plans can be made for the local Spring Renaissance Festival April 13<sup>th</sup>-14<sup>th</sup>. There are also several presentations planned. Marie is doing a presentation to teachers on Historical Reenactment / Recreation the end of March. April 7<sup>th</sup> is the Exploration Place presentation on Medieval Trivia. Golden Sea has asked for assistance on two presentations the weekend of May 4<sup>th</sup>-5<sup>th</sup>. Marie or Piers Falconer can be contacted for details or to volunteer. The invitation to participate in the Maker Fair here April 22<sup>nd</sup>-23<sup>rd</sup> has been declined due to conflicts and being also Easter weekend. An invitation from the Historical European Martial Arts (HEMA) group to participate in their Final Friday activity has been pended for additional details.

The Chronicler has been rescheduled the deadline for the officer letters for the *Dragonflyre* to March 6<sup>th</sup> due to Gulf Wars. There was nothing to report from the Web Minister or Historian. Caltrop reported that two members names and devices had been forwarded to national for registration: Bertram and Kennocht. The Regional Herald Marie has stepped down. HL Jóhann will be teaching a class on heraldry. The arts and sciences minister reported that there are four classes already scheduled on the calendar. More will be added after Gulf Wars. She announced the competition theme for Valor will be Opulence. The prizes of silk, pearls and a Byzantine coin have already obtained.

The Exchequer reported a balance of \$15,281. All checks, except for the non-member surcharge have cleared the bank. The Pay Pal monies from Coronation reservations has been received and deposited.

The Property Master will be getting with those working on the Baronial tent to determine supplies needed and Baronial items that can be repurposed for this. The Knight Marshal will be getting an inventory to the Property Master of the loaner gear and needed items. Except for the helmets most of the loaner armor has been repaired.

Fighter practice continues to be well attended. There was nothing new to report from archery or from cut and thrust.

Their Excellencies reported that the canvas for the new Baronial tent has been delivered. Sometime in the already busy calendar construction dates will be scheduled and posted.

The Seneschal again requested individuals not attending Crown let her know so plans could be made for Ren faire. It was announced that Their Majesties are looking for a Kingdom Arts and Sciences Minister. Application letters are due by Crown.

There being no other business the meeting adjourned.

## March 6, 2019

The only scheduled demos or presentations are April 7<sup>th</sup> at Exploration Place on Medieval Trivia and then the Spring Great Plains Renaissance Festival. Due to the obligations of several members, volunteers for the Festival are being signed up now. Her Excellency Zoë will be organizing the pop booth. A Facebook link to Goggle Docs will be set up to volunteer for this event and activities. The end of March teachers' presentation has been cancelled. Other presentation requests and invitations will be finalized after Gulf Wars. Members wishing to assist Golden Sea in their presentations May 4<sup>th</sup> and 5<sup>th</sup> can contact Marie or Piers Fauconer.

No heraldic information on proposals in process has been received. The *Dragonflyre* will be assembled starting this weekend. Officers' letters were due today. The Baronial web site has been renewed. After Gulf Wars, nights will be scheduled to begin construction of the Baronial shade flies with a goal of having them done by Valor.

It was announced that the new Kingdom Chatelaine is organizing his office to set up an organized Kingdom wide program for recruiting and working with other offices such as Social Media to promote our organization.

The Exchequer reported a balance of \$15,278, with all items having cleared. A payment will be cut this evening for the web domain payment. A special meeting of the Finance Committee was called for after Officers'

The last indoor fighter practice will be this Sunday the 10th. Practice will resume outdoors, weather permitting, after that. The cut and thrust practice will be starting a new format with two areas for their activity at fighter practice: one for classes and one for practice. Archery is awaiting warmer, favorable weather to resume.

**Letters of application for the local office for Social Media are being sought. This is a deputy position of the Seneschal.**

No date for letters to Their Majesties regarding the applicants for Baronage has been announced. However members were reminded these letters are NOT a vote. It is not a popular vote. It is more like a job recommendation letter. It is to provide Their Majesties, who do not live here, with information. Where do you see the Barony being right now and in the future? What is the couple's strengths. What can they contribute to making that future? It was stressed that these are written communications. They are permanent. Consider very carefully what you say and how you say it.

**Be positive, civil, polite, and do not exaggerate.**

There being no other business the meeting adjourned.

## The Friar's Corner

**Stickjockus Rhinohideus:** A species of fighter that is very difficult to kill requiring extraordinary force. While can be found on tourney fields everywhere, most commonly found in lists of high status. Can also appear when the opposing fighter is perceived to be of low status. They are generally a solitary figure. A subspecies is Stickjockus Impervious which has similar characteristics but involves long pokey things.

**Stickjockus Whitebeltus:** A fighter type best recognized by the wearing some forms of white belt or sash. Likes to stride across the field and take charge. They can have a coterie of other fighters trailing behind them. Often projects an aura that can repel less experienced fighters away from their presence. With little prompting will regale those around them with stories of their fighting prowess.

**Laurus Anthentica Nazi:** A creative type who labors to exacting standards and expects other to also meet those standards and is highly critical of others who do not. They are quick to render judgment regardless of the victim's knowledge, experience or skill. On the other hand, they will overrate their own knowledge, experience or skill. Most frequently found around A&S competitions.

**Laurus Authoriousa:** Cousin to Anthentica, this species goes around attempting to give the impression that they know everything about a subject, or multiple subjects. They will voice their opinion with exaggerated confidence even in the face of contradicting evidence. They seek out inexperienced members to expound on their favorite subject to.

**Artifex peacockus:** A creative species, usually of garments, who cannot resist showing off their latest effort, even to those who have no interest. They will exhaustively expound on their research, methods, and workmanship. The victim will often require intervention of an outsider to be rescued, unless the Peacockus spies a more prominent victim. Most often found at courts.

**Bardus Offkeyus:** This species is usually very loud and enjoys being the center of attention. Has a very expansive opinion of their talent, and will take every opportunity to sing or otherwise perform. Indeed it is very difficult to stop them. Unfortunately their opinion does not match reality. They are attracted to bardic circles and camp bonfires. And will only leave when the audience has dissipated.

**Lepus Jingleus:** Almost exclusively female, strongly attracted to parties, particularly if there is drumming occurring. They spend most of their time moving various parts of their body; occasionally in time with the drumming. They will rarely engage in mentally demanding conversations. Amount of clothing worn is often inversely proportional to the attractiveness of the Jingleus. If allowed, the Jingleus will consume a large amount of alcohol.
