# From the Chronicler

Greetings, and welcome to a new year. I hope your holidays were enjoyable, and I look forward to the year to come. This month's issue is late due to all the holiday festivities, SCA domesday reports, and mundane foll-de-roll that accompanies this time of year. Next month The Dragonflyre should be back on track.

Since this is a new year, and I have the opportunity as well, I would like to reiterate a VERY IMPORTANT Dragonflyre policy. Please folks, (and officers), the deadline is the 25th of every month. I cannot get The Dragonflyre out on time if you do not get me your submissions, reports, ect. In an emergency, I can wait until the 28th or 29th, but that is pushing it. Believe me, I need every day of the 6 or 7 days between the 25th and the distribution date of the 1st. Fellow officers, please mark this date on your calendars, if you have a report for me, I need it by then. If you cannot get your report to me in person, (and I know I am hard to find), please mail it, and let me know it's coming; I have even been known to take dictation over the telephone, (but I don't like to).

In April, I will be resigning my office. Due to increasing ill health, as well as other factors, I am in need of a deputy as soon as possible. Several people, (and YOU know who you are) have expressed an interest in this office. Please, if you are still interested in being Chronicler, contact the Senescal or the Baronage.

Well, this is it for now. Take care, and I will see you next month in "The Chronicler's Zone"

# ESTRELLA WAR III

Greetings Unto One and All!

Once again the Knowne World gathers for the grand conflagration of the ESTRELLA WAR. As this is the third year of the conflict we are calling it "Estrella War III, the Return of the Caidii." Apologies extended to Messrs. Lucas.

The site will be the usual one, Estrella Mountain Park, and the time will be as always, Presidents' Weekend of February, 1987. Feb. 12-16

The park is located approximately twenty-five miles west of the hamlet of Phoenix, Arizona. There is running water and fixed shade pavilions. There will be privies of both the conventional and portable type. Fires are allowed only in stone firepits and hibachis/campstoves. Ground fires are strictly forbidden. There will be no organized feast, but surely each encampment, be it Shire or Kingdom, will want to organize their own.

Toll for the weekend will be \$5.00 per person, including smalls. A receipt will be issued at the gate for each entry. Also at the gate will be the site waiver for signature and a map of the area. Locations (by Kingdom) of encampments will be posted on the map as they become available. Your site fee includes entrance to the park and the charge for pavilions extracted by the Park Service.

There will be a tavern, operated within the mundane legal limits of the State of Arizona, run by the Corsairs. Also featured will be Merchants' Row. The Park Service requires a \$15.00 tax for each booth. This may be paid in advance to the Merchants' Autocrat or transacted at the gate. A separate receipt will be issued Tradespersons and must be kept at their booth.

Events planned include the usual mayhem of broken field battles, mixed sides battles, resurrection battles, bridge battles, battles everywhere for any reason or none at all. After all, it's a war, right? Also planned for the 13th is a horse event. There will be the ubiquitous Inter-kingdom Arts Tourney, plus many other frivolities and activities for fighters and non-combatants alike.

The site will open Friday morning for entry and set-up. This year we hope to be able to close the park to all non-SCA activities, so there will be opportunity to leave the mundane world behind and more fully enjoy the Current Middle Ages.

A few random notes: All animals of the four-footed varieties must be kept leashed. Weapon and Armor standards will be those in effect by the date of the event as are ordered by the Marshall of the Society.

Inquiries should be addressed to the appropriate Autocrats. Anyone wishing to assist in activities should contact same.
