This is the Dragonflyre, a publication of the Barony of Vatabia of the Society for Creative Anachronism, Inc. The Dragonflyre is available from Patricia A. Riemann, 812 Marcilene, Wichita, Kansas 67218. It is not a corporate publication of the Society for Creative Anachronism and does not delineate SCA Policies.

## What are the Baronial Awards and What are They Given for?

As answered by Baron Sir Tedrick in the December 1990 Dragonflyre.

### Lower Tier Awards

**Note:** Any member of the populace may recommend another for the following awards by petitioning the Baronage. The Baronage will usually try to corroborate before recognizing the individual.

**Citizen of Vatabia:** Azure (blue) cord. Shows that an individual is a paid member of the SCA. The individual should report paid status to the Seneschal (Eleanor's note: for record keeping and to the court herald if you want a cord.) since paid membership is part of that office's monthly report.

**Victory in Competition:** Gules (red) cord. Recognizes any victory in any competition at a kingdom level event. Leaves on cord show additional victories.

**Act of Dedication:** Argent (white) cord. Recognizes an effort of accomplishment above what is expected of the populace as a whole.

**Achievement in the Arts:** Argent and Azure (Blue and White). Recognition of effort and achievement in some art form. Can be for an individual work of art or for effort in a particular field. Can be given repeatedly for work in the same art, but not the same work or piece. Leaves show additional recognition.

**Achievement in the Sciences:** Gules and Or (Red and Gold). As in Achievement the Arts only for sciences.

**Vojack:** (aka Baronial Guard): Azure and Or (Blue and Gold). Recognizes chivalrous conduct on the field as well as a significant number of weapon authorizations accomplished -- usually at least four. No additional leaves.

**Vessler:** (aka Archer Guard): Gules and Argent ( Red and White). Recognizes a consistent level of activity in archery

within the Barony, as well as a certain level of skill with bow or crossbow. No additional leaves.

#### Upper Tier Awards

Note: except for the Golden Heart, the Baronage will try to consult with the members of a particular order before recognizing an individual for the following awards. In the case of the Golden Heart, the Baronage will usually confer with the Seneschal.

Golden Heart of Vativia: Recognition of consist service and effort for the Barony.

Straz (aka Captains of the Baronial Guard): Recognition of impressive chivalry on the field, having most if not all fighter authorizations, and showing marshall leadership within the barony.

Zemen Strav (aka Captains of the Archer Guard): Recognition of a higher consistent skill level, activity in kingdom archery competitions, as well as leadership in the area of archery.

Order of the Radiant Lioness: Recognizes consistent high quality work in a particular fields of the arts and sciences, as well as teaching in these fields. The recipient receives illuminated and calligraphied scroll.

Order of the Vativian Sword of Valor: Consist of all those who have won the Tournament of Valor. Winner gets a knife and a medallion.

Order of the Star of Vativia: Recognizes activity outside of the Barony (as well as inside) which brings renown and pride to the Barony. The recipient is usually known around the kingdom – and maybe the Knowne World – as someone from Vativia who's leadership and/or abilities are admired. The recipient might be thought of as the ideal SCA person.

## **Awards .... What it is List**

By Ewen MacGhiollipdraigh

Chronicler - Bois D'Arc

The Bow's Song (November 1991)

The first person to receive any award in the Kingdom is the principle of that order. Some Crowns have felt that occasional meetings of an order in a local group strengthens its members and helps to spot others working in that area that can be encouraged and might be suggested for a possible award recommendation. Such meetings would be called by the principle of the order in the local group.

**AWARD OF ARMS** - Usually the first award received, it is normally given for activity and service in your local group, but it can be given for work in an art or science. This award entitles the bearer to display his/her own arms registered by the Society's College of Heralds. Ranking in the Order of Precedence rests upon the date given.

**AoA LEVEL AWARDS** -- All orders on this level are of equal rank, seniority resting only upon the date the award was given. The awards of this level convey an Award of Arms unless the recipient holds on already.

**FYRD OF CALONTIR** reflects skill as fighters or arches. Composed of two equal but separate branches. The fighters, called the Iren-Fyrd should be proficient the use of at least two weapon systems. The archers, called the Boga-Fyrd, displays proficiency in at least one archery system and demonstrate effort to promote archery in the Kingdom. Both should be consistently honorable both on and off the field.

**ORDER OF THE CALON SWAN (C.G.C.S.)** work in the arts shows promise and growth in their chosen art(s), some knowledge of its history, and who have assisted others in the practice of said art(s).

**ORDER OF THE LEATHER Mallet (C.L.M.)** conferred for work in the sciences that has shown promise and growth in their chosen craft, some knowledge of its history, and who have assisted others in the practice of said craft(s).

**ORDER OF THE TORSE (C.T.)** conferred for service above the service normally expected of citizens of the Kingdom.

(continued)

**GRANT LEVEL AWARDS** -- All grant level awards confer the same rank upon its recipient . Seniority rests only on the date given. All grant level awards convey a Grant of Arms unless its recipient holds one already.

**HIRTH OF CALONTIR** reflects skill as fighters or archers. It is composed of two equal but separate branches. The fighters, called the **IREN-HIRTH**, are capable of fighting in all weapons systems, demonstrate expertise in at least two, and display unquestionable honor on and off the field. The archers, called the **BOGA-HIRTH**, should be familiar with all archery systems and expert in at least two. The individual must demonstrate a level of service to archery, provide guidance and instruction to other archers, and display unquestionable honor and conduct at all times. Both must have participated in at least one Society war or Interkingdom. An individual may have membership in both branches.

**ORDER OF THE CALON LILY (C.C.L.)** high level of skill in their chosen art(s), a detailed knowledge of its history, and have assisted others in the learning of said art(s).

**ORDER OF THE SILVER HAMMER (C.S.H.)** work in the science(s) has shown a high level of skill in their chosen science(s), a detailed knowledge of its history, and have assisted others in the learning of said science(s).

**ORDER OF THE CROSS OF CALONTIR (C.C.C.)** conferred upon those who have served the Kingdom well and faithfully, far above and beyond the service normally expected of citizens of the Kingdom.

**NON-ARMIGEROUS AWARDS** - These awards do not confer an Award of Arms upon the recipient if that gentle does not already have one.

Those listed below convey a position in the Order of Precedence:

**ORDER OF THE ROSE** shall be offered automatically to all Sovereigns Consorts who have served in that capacity in Calontir after their investiture in the County rank.

**ORDER OF THE SWORD OF CALONTIR (C.S.C.)** conferred for the performance of dramatic deeds concerning the art and science of combat, strategy, tactics, and/or Society warfare, or upon a group whose collective endeavors thus have well served the Crown and Kingdom.

**ORDER OF THE QUEEN'S CHALICE (C.Q.C.)** conferred upon young people who have served the Kingdom and its people -- above the services normally expected of them. Election in the Order rests with the Queen in consultation with the Seneschal of the home group of the candidate.

The following orders do not convey a position in the Order of Precedence:

**QUEEN'S ENDORSEMENT OF DISTINCTION (Q.E.D.)** may be given to up to three individuals during each reign. One in each category 1) combatant or archer who has shown the highest of chivalric behavior 2) person who has best exemplified gentle and courteous behavior and 3) person whos best exemplifies the ideals and goals of our Society.

**KING'S FAVOR**  
(Eleanor's note - There is now **THE KEEPER OF THE FLAME** as well.)

**PATENT LEVEL ORDERS** - The Order of the Laurel, the Order of the Pelican, and the Order of the Chivalry are not Kingdom orders, but Society. These orders are equal in rank, seniority based upon date of award alone. Anyone may recommend. Candidates shall be obedient to the Corpora and By-Laws of the Society and the laws of their Kingdom. They shall consistently show respect for the Crown of their Kingdom. They shall set an example of courteous and noble behavior suitable to a Peer of the Realm. They shall have demonstrated support for the aims and ideals of the Society by being authentic in dress, equipment, and behavior is within there power. They shall have shown willingness to share their knowledge and impart unto others their skills. They shall practice hospitality. They should learn and practice skills desired at a civilized court (including but not limited to literature, dancing, music, heraldry, chess, some familiarity with fighting). Candidates must have attained a standard of accomplishment achieved by existing Peers of the Order as determined by members of the Order.

**CHIVALRY OF THE SCA** includes Order of Knighthood and Order of Mastery at Arms, choice to be made by new member.

**ORDER OF THE LAUREL** conferred upon those felt to be worthy in H/Her area of practice and knowledge of the arts and sciences.

**ORDER OF THE PELICAN** conferred upon those felt to be outstanding in the area of service to their Kingdom and Society

All who hold these ranks are expected to continue in the behavior and growth that drew attention to their accomplishments and to share their knowledge.

From the Previous Bardic Champion  
---continuation---

Hmmm, could be entertaining. But I shall not be so cruel. . .this time. I will devise a contest that may be a bit easier and yet still ensure that a worthy contestant shall claim the position. Then again I may go for the cranial explosions. I shall have the competition rules in the February Dragonflyer.

Yes that means 3 months to prepare for the Bardic Competition.

Does anyone feel a headache coming on?

#### Calontir Trivia

Can you name the events nicknamed here and the order in which they occurred? Great Freeze, Chiurgeions (won the) War, Chigger War, Gone with the Wind I, Great Sweat/Wilted Lily.

Good Citizens of Vatavia, I have commissioned 3 within our Barony to compose letters "in period style" to you or members of their families describing events, situations or experiences that their persona might have encountered. The first of these is published below, next month another, then the third; in April we will read our second installment from the writer whose work appears below.

*Greetings dearest father:*

*I grow saddened at your long departure, and impatient for your return. I almost wish I had gone with you as I have many times in the past, but it did not seem prudent for me to do so.*

*I spend many satisfying hours in the garden, adding primrose, lavender and foxglove this year, and tending the herbs in the lenot garden. I rarely go in the orchard as the gardener tends the trees and feels it is his special domain. He did tell me he has planted some new pear trees and has taught me the many uses of the fruits of the different trees: Hazel for the wattle fences, mulberry for dyes and color for wine, dogwood for the best arrows and much more. In the vegetable garden he is growing*

*As for the household, brother John recently received a summons to court. It seems our great and dear King Henry VII wished to confer with him and others concerning policies and taxation. I must admit I do not cry his absence as I should. He is a good and just man but somehow his presence is altogether intimidating. I do love Margaret, but she has none of the interests I do. She does not read or study, or go to the gardens. Seemingly altogether occupied with the household and the state of her health. We have little in common.*

*I spend my days in prayer and study and contemplate the possibility of joining the convent.*

*Oh father, I miss you so. There seems no one here who loves me as you do. But I should not complain as I have plenty to eat and our beautiful castle provides all creature comforts.*

*It has been an especially cold winter and I have made two new gowns.*
