— From Their Majesties Calontir —

To the Beloved Populace of Calontir,
From King Emerick the Stormblessed and
Queen Kolfinna the Wise, warm greetings and
deepest affection.

As the year draws to a close, our hearts are still
full from the joy and fellowship we experienced
at Kris Kinder. What a gift it was to walk
among friends and family, to share laughter,
stories, and warmth while also enjoying the
bustle of holiday shopping. The sight of
familiar faces, the sound of cheerful greetings,
and the sense of community woven into
every moment made the day truly magical. It
reminded us once again why Calontir is not
merely a kingdom—it is a home.

This season ever invites us to pause, reflect, and
look with gratitude upon the blessings in our
lives. And at the center of that gratitude stands
each and every one of you. We are thankful for
the artisans whose hands shape beauty, for the
fighters whose courage inspires, for the servants
whose dedication strengthens every event, and
for the welcoming hearts that make newcomers
feel instantly part of the family. We are thankful
for the laughter, the songs, the shared labors,
and the quiet kindnesses that often go unseen
but are always felt.

We are also thrilled as we look toward the near
future, when we will elevate the premiers of the
Order of the Mark. The anticipation across the
kingdom is palpable—there is a joyful buzzing
in every hall, every camp, every conversation.
To witness this new chapter in Calontir's story

is an honor, and we cannot wait to share that
moment with all of you.

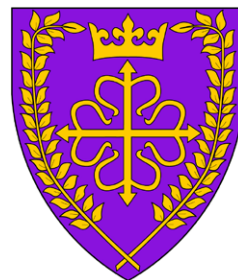

Calontir is a great kingdom not because of its
size or its awards or its history, but because of
its people—you, who uplift each other with
constancy, generosity, and love. It is your spirit
that makes our land shine so brightly. It is your
commitment, your joy, and your presence that
we cherish beyond measure.

As we move into the heart of winter, we ask
each of you to continue being good to one
another—and just as importantly, to be good
to yourselves. Take time to rest, to breathe, and
to hold space for your own well-being. You
deserve that kindness as much as anyone.

May the season surround you with warmth,
peace, and the knowledge that you are valued
by your Crown and your kingdom alike. Thank
you for filling our reign with meaning, pride,
and profound gratitude.

*With all our love and blessings
this holiday season,*

*King Emerick the Stormblessed
Queen Kolfinna the Wise*

— From Their Majesties Calontir —

Greetings to the Great Populace of Calontir!

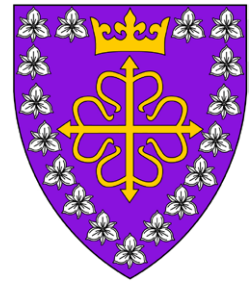

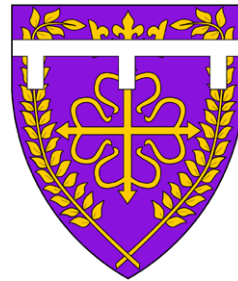

The new year is upon us. Hope and joy fills our halls, as new beginnings bring new stories. Gifts, projects, and wearings were purchased at Kris Kinder, while meetings were had, to speak the legends of Our Populous. As Heirs, it is important to see the pulse of Our Kingdom beat, and those individuals see their just reward. We will travel to see Our cousins to the west, Our loyal friends, the Kingdom of the Outlands. Their hospitality is unmatched, and comradery bolsters our future in battle alongside each other.

We will soon travel again to the south, to join Our Serene Cousins, the Principality of Vindheim, to celebrate the finding of new Heirs to Their thrones. War looms on the horizon, Our ranks must be filled, Our flanks protected by

friends of the Kingdom. Their Majesties have sent Us on campaign, They have bestowed Us with Their knowledge, and They prepare Us for the future. May We serve you with love and honesty. We look forward to the joy and stories that are created within our boundaries, and abroad as adventure awaits in foreign lands.

In Service to the Dream,

*Xerxis & Andromir
Princes of Calont*

— From Their Excellencies Vatavia —

Greetings,

We hope everyone has had a wonderful holiday season.

We are looking forward to Spring and Gulf Wars. Hopefully, many of you will be able to join us. In preparation, we are hosting Winter War Maneuvers Feb. 21. Please come help as you are able. Many hands make light work.

There are many events coming up, including Clothiers (where the Order of the Mark Premiers will be elevated - including our own Joachim) and Coronation. Please consider car pooling if

possible so more of the populace can attend.

As camping events gear up again, remember to hydrate and dress for a wide range of temperatures.

YIS,

Robert and Heidi

— From The Baronial Officers —

FROM THE SENESCHAL

Hello Vatavia!

2026 will be a very exciting year for us! We have Winter War Maneuvers, Valor, and we will be co-sponsoring Chillies this year! We always need help so please reach out to me if you want to help in anyway with events this year.

I want to thank Alicia for stepping into the A&S minister position and to Tove for stepping into the Exchequer position.

We are currently still without a Cut and Thrust marshal. If you are interested in those position please email their excellencies and I to get an interview/discussion started.

Remember: Don't be a jerk.

Yours in service,
Brynki Falkason

FROM THE KNIGHT MARSHAL

Greetings unto the Barony of Vatavia,

Remember to hydrate while fighting even as the weather cools off and regularly check your padding, weapons, and armor! Cooler weather can make older thrusting tips real stiff and we don't want to break out friends.

Fighter Practice is at MakeICT (5920 E Mount Vernon St, Wichita, KS 67218) from 10am to 2pm on most Sundays.

In service,
Sir Øyríkr Raðúlfsson, Knight Marshal

FROM THE ARCHER MARSHAL

Dear Vatavia,

New year same old rules! Archery practice is at two on Sundays at Ulfr and Alia's house in Andover. 12705 SW 90th Street, Andover, KS 67002. Bring your own chair and water. Check the barony facebook if you can to see if there is last min. cancellation. High winds may mean we throw weapons instead. More likely I will say high winds make it more fun. See you there. If temps are below 45 at noon or there is rain we will cancel check the baronial facebook page for cancelation i wont post if its on only if its canceled. January through march can be pretty challenging to have practice so check the weather first. No practice for sure January 26 or February 22. Be safe guys!

YIS Donald Macdonald

FROM THE CHATELAINE

Warm wishes to all Vatavians,

This is a time of celebration and friendship. If you see someone struggling, reach out the hand of fellowship. A great gift is kindness among friends. Let me know if you need Gold Key, otherwise it is closed for donations.

In the new year, we will be looking at the Gold Key for a refresh, so stay tuned for information on that. I can tell you will need fabric, sewing machines, and willing workers.

In service,
Aia Gold-Bearer, OL

FROM THE DEMO COORDINATOR

Warm greetings Vatavians,

In December, the change in our meeting location had Make ICT members and their guests walking into our meeting. Though unexpected, it was an opportunity to share about our organization and the different activities that we do. My thanks to all who helped with this 'impromptu' presentation.

As we start a new year, it will not be that long before we are looking at plans for the Barony's Dell at the Spring Renaissance Festival, one of our two major demonstrations each year. During these winter months, while improving your garb, upgrading your fighting kit, or starting that new arts or sciences project consider what you could do at the Festival. Even something as simple as seeing someone cooking a meal can be the beginning for a new member. (Sometime ask Her Excellency Heidi about the time she brought her outdoor 'kitchen'.)

Even coming home from an event can end up as an opportunity. At a restaurant explaining that you are not practicing for a play but a member of the Society can result in a chance to share about all that we do. It can be amazing to hear when, or where, a new member learned about us.

May your holidays be all you wish them to be. Stay warm.

Cheers- M. Marie CD

FROM THE EXCHEQUER

Greetings, Vatavia!

My time as exchequer is coming to a close, so please welcome Tove Brianesdohter as she begins to take on the role! The changeover will be completed early

next year after EOY reporting is completed.

It has been a very quiet quarter going into holiday season but we are about to pick up a bit. Winter War maneuvers is coming up, and then we will have Ren faire again in April. Make sure to keep an eye out for more volunteer opportunities and sign up sheets.

Currently the bank balance stands at \$18,191.70.

If you have any questions, please feel free to email me at exchequer@vatavia.calontir.org.

YIS, HL Alicia Niel

— Meeting Minutes —

OFFICERS MEETING, OCT. 2025

October 1 at Make ICT 5920 E Mt. Vernon, Wichita, KS 67226

24 members attended: 8 Baronage/ officers/ deputies/ event stewards; 16 members of the populace

The Seneschal reported on the number of QR contacts from the Renaissance Festival. Officers were reminded to get their quarterly reports in by their due date. Updating of the web site continues.

The Exchequer reported that \$4788 in sales was done at the Festival pop concessions earning the group a \$500 gratuity from Eagles Realm Entertainment. There was also \$95 in donations for the Barony provided food during the Festival weekend. Both have been deposited. The current balance is \$18,267.43.

The Arts and Sciences Minister thanked who did demonstrations and provided displays at the Festival. Planning for on the Minneha School and DYI Day at the Public Library was given.

Their Excellencies encouraged members to attend the Chillies Winterfylleth event October 9th-13th at the Lilies site in Smithville MO. Our two patent pending knights will be elevated at that event. Award recommendations for both Kingdom and Baronial recognition are needed. Any member can make a recommendation for any of the awards.

There being no other business the meeting opened for all the members to discuss the recent Renaissance Festival: good things and improvements.

Fall Great Plains Renaissance Festival discussion

After the October Officers' business meeting a discussion on the recent Renaissance Festival was begun. All present members were welcome to join this 'post mortem.' On the agenda were what things should be continued and what recommendations for improvements should be considered.

Recommendations on specific soda products and signage for the second drinks station and signage for the location of the Festival entrance posted at the back of the site will be passed on to Eagles

Realm Entertainment. Also they will be informed of the patrons' appreciation of the reasonable pricing for beverages and water.

Having a designated camping area out of sight behind the Baronial set up should be continued. It is especially helpful for those out-of-town members who come to help and join us. The kitchen tent is something to continue to do as well. It was suggested to relocate it, possibly behind the Baronial tent, to increase the line of sight to the fighters' shade area. An extra shade fly was suggested and/or using some pop-up walls to increase shade as the day progresses. This could possibly result in more guest access to visit and talk with the fighters. Fighters coming out to talk to the guests was also mentioned. Having the entrance area on the fighting field and line up area to the side opposite the A/S tents was recommended to be continued.

The drumming was mentioned as attracting people to the Dell. More drumming and more drums were recommended. Other music was suggested. Several felt a boombox would be inappropriate. It was noted any additional music would need to keep the audio done during fighting presentations in mind.

On the arts and sciences it was suggested to have a clothing dummy dressed in full armor on display. The missile weapons presentation on the field kept people in the Dell when there was no fighting on the field being done. Audience suggested throwing scenarios, i.e. throwing under the leg. Getting the guests involved with the foam axes during the fighting presentations was well received by the guests. It was noted that for safety this would have to be more structured in the future. Bean bags were suggested as an alternative. It was suggested that this could even be a fund raiser 3 bags to throw for \$1. This brought up the idea to bring back archery to the Dell. It was noted it does do well as a fund raiser; but, it also requires a good deal of manpower on top of having the two drink concessions.

It was suggested to do some sort of theme for each Fall and Spring Festival. It was also recommended to do dancing. It was pointed out that dance is done at the Spring Festival with having a May Pole. It was also suggested to have a fun follow up Wednesday meeting after a Festival. This year Officers' was the next Wednesday, not an

interesting follow up for potential new members.

This discussion and white board notes was copied to be used for planning the next Spring Renaissance Festival.

FINANCE MEETING, OCT 2025

A brief, unscheduled meeting of the finance committee was held at Make ICT on October 1, 2025, after the monthly Officers' meeting. Committee members present were HE Robert, HL Brynki, HL Alicia, M. Marie and Ld Kolsveinn representing the populace. Noble Valeriano was also present.

HE Robert requested to take the two Baronial incenatrons to be used at the elevation ceremonies at Chilies Winterfylleth this October. After a brief discussion the motion was made by HE Robert; seconded by HL Alicia. The motion passed.

HL Brynki requested to remove the large green benches from inventory. They were donated to the group some years ago. The benches are cumbersome and seldom used. HE Robert moved to remove the benches as Baronial property. Several seconded the motion. It was approved. The benches will be offered back to the original person before putting out an offer to other individuals and/or groups.

There being no other business the meeting adjourned.

OFFICERS' MEETING, NOV 2025

November 5, 2025 at Make ICT 5920 E Mt. Vernon , Wichita, KS 67226

17 members attended: 13 Baronage/ officers/ deputies/ event stewards; 4 members of the populace

Winter War Maneuvers will be held here in Vatavia February 21st . The event flier will be updated and submitted shortly. Valor planners will be checking other possible sites before making a final decision on reserving the El Dorado Park site again. HE Robert was approached about being a sponsor for Chilies 2026. There is interest in sponsoring. However no decision will be made until after reviewing this year's Chilies event report.

The November 26 th A and S meeting will be a "Friends-giving"; party starting about 6:30pm. A food sign up sheet will be posted. The New Year's celebration will be scheduled in the near future. It was noted that there could be a conflict with the Make ICT December 3rd ,13th birthday party and our monthly Officers' meeting. Details on Make ICT's party plans will be available later this week.

The Caltrop Herald and Master Jóhann heralded at this year's Chilies event. Master Jóhann will also be heralding the Crown tournament and at Toys for Tots. The status of heraldic proposals in process was provided. The deadline for letters, artwork and submissions to the Dragonflyre is December 10th . HL Alicia has stepped into the Arts and Sciences Minister position.

The Exchequer reported a balance after one check payment of \$18,101.70. HL Alicia will step down as Exchequer the beginning of next year; and , HL Tove will be the new Exchequer. Arrangements and the official posting for members to request their pre-registration payments for the canceled Valor event are still being finalized.

The Knight Marshall is not accepting donations of armored combat equipment. Instead he encouraged fighters to bring extra armor for others to use or to gift items to newer fighters. He stated the loaner armor could use an additional loaner helm, but it is not an immediate need.

The Baronage requested donations of largess and ideas for largess. Their Excellencies have a supply of fabric that could be used to make messenger bags. Work nights can be scheduled to work on those and other largess projects. The remaining tabards for Vindheim are 85% done. Award recommendations were also requested for both the Barony and Kingdom. It was noted that all awards have certain criteria for consideration. The award recommendation form on the Baronial website does work and does forward recommendations.

Officers are encouraged to discuss their offices with interested individuals. Deputies do not necessarily automatically step into an office nor is it required. The Chronicler currently has a deputy. He has no plans to step down immediately. Letters of application are still open for this office to allow for more interested individuals to apply.

There being no other business the meeting adjourned.

OFFICERS' MEETING, DEC 2025

Dec. 3, 2025 at Make ICT 5920 E Mt. Vernon, Wichita, KS 67226

23 members were present: 11 Baronage/ officers/ deputies were in the meeting.

Midwinter Knights Dream is December 6th in Theobald. His Excellency Robert encouraged members to come and announced indoor missile activities are planned. The next week December 13th at Kris Kinder two Vativians will be elevated to the Pelican peerage; His Excellency Robert and Óttarr Surtsson. Winter War Maneuvers is here February 21st. Information will be in the January MEWS and is on the Kingdom website. Starting next year Vativian Kingdom events will not be cross posted on the Baronial website.

The final decision on equestrian activities at Valor will be made after consulting with Kingdom on the new Society equestrian insurance policies. El Dorado Lake scheduling and reservations open later this month. There is a lake site that can accommodate equestrian activities.

The Chatelaine is working with the Barony's newest member. Caltrop reported on Vativian heraldic contributions at Toys for Tots. No new information has been received on the status of our proposals in process. The next Dragonflyre deadline December 10th was announced by the Chronicler. It will cover the first quarter information for 2026. Meeting schedules and any changes or cancellations should be turned in its calendar.

The Exchequer will be starting the paperwork to change the bank account information to incoming officers. There have been no transactions in the last month on the account. The end of year report is being compiled. She will be stepping down the beginning

of the year. At that time she will step into the position of Arts and Sciences Minister.

The Knight Marshal explained the new Society policy on fighter re-authorization. It will become a 4-year requirement starting in June 2026. Policy is for both actual fighting and knowledge of current rules and theory fundamentals. Our Knight Marshal suggested everyone re-authorize the beginning of 2026 regardless of the expiration date on their fighter card. The procedure to do this is to be discussed at Kris Kinder.

There will also be an open meeting of the War Council there at 1-2pm. Meister Joachim announced that he is the 'general' for the Gulf War Lobster Tournament, which is a war point, being held the first Monday of the War.

FINANCE MEETING, DEC 2025

A brief, unscheduled meeting of the finance committee was held at Make ICT on December 3, 2025 after the monthly Officers' meeting. Committee members present were HE Robert, HL Brynki, HL Alicia, M. Marie and HL Tove representing the populace.

HE M. Marie had received a request last weekend to bring the Baronial 'erector set' to the Midwinter Knights Dream event December 6th in Theobald College. She moved that this request be approved. HE Robert and HL Brynki both seconded the motion. It was approved. There being no other business at this time HL Alicia moved to close the meeting; HE Robert seconded. The meeting adjourned.
