## *Greetings to the noble populace of Calontir!*

What joy fills Our hearts as We reflect on the recent weeks! Cattle Raid was an absolute delight, full of laughter, camaraderie, and the fierce but friendly spirit that makes this Kingdom shine so brightly. Our deepest thanks go to the event staff, fighters, artisans, and all who came together to make it a celebration worthy of Calontir.

Raid or Trade was no less wonderful, even as the heavens themselves sent us a gentle rain to remind us of the changing season. Yet even damp cloaks could not dim the warmth of fellowship, and it was a pleasure to see the Falcon's people undaunted, sharing stories and laughter until the last goodbyes were said.

Vertigo was a joy to attend! The enthusiasm, creativity, and energy that filled the day were an inspiration to behold. From the competitions to the conversations, it was a reminder of the vibrant community that makes Calontir a true family.

Gryphon's Fest was equally delightful. The spirit of chivalry and camaraderie was evident everywhere, and We thoroughly enjoyed the pageantry and hospitality displayed by all who made the day so memorable. Truly, these gatherings continue to showcase the strength and warmth of the Heartland.

The Kingdom Arts and Sciences event was truly a marvel! Never have We been more proud of the talent and dedication of Our artisans. The artistry on display was breathtaking and a testament to the deep well of skill and creativity in this realm. To all who displayed, judged, and supported this endeavor, know that you have greatly enriched Calontir.

As We look to the future, Our excitement grows for Chilies – Winterfylleth, that most beloved of gatherings. Soon, We shall welcome friends and family from both near and far, filling Our halls with laughter, warmth, and the joyous sound of celebration. The anticipation is great, and We look forward to standing among you all once again to revel in the spirit of Calontir.

We wish to remind everyone that letters of intent are now being accepted for the Fall Crown Tournament.

The Crown Tournament shall be held on November 8th, 2025, in the Shire of the Crystal Mynes.

This tournament shall be fought bring-your-best, best two out of three.

In the Finals, it shall be best two out of three of three. Each finalist shall select a weapon form for one round. The Crown shall select shield and buckler (no larger than 18 inches) for the final round.

To be considered, fighters MUST be able to span their shield, and each couple must submit the following:

- Names of both Fighter and Consort
- Proof of current SCA Membership for the fighter and consort at the time of the tournament
- If membership is due to expire at any time during the reign, proof of renewal within 10 days of winning Crown Tournament will be required
- List of SCA events attended within the past 12 months
- A copy of a legal ID for the fighter and

*Cont. next page*

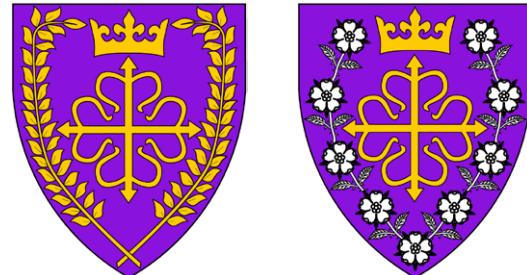

consort. Both must reside in Calontir (or Treaty) and meet the age requirements of Kingdom law.

- Statement of Intent:  
**Why do you wish to be Crown?**
- Names of your:
  - Chamberlain
  - Head of Household
  - Scribe
  - Herald

All letters must be submitted to the Crown and Seneschal no later than October 18th, 2025. We look forward to seeing who among the Heart-

land's finest shall step forward to bear the weight of Calontir's legacy.

*In service to the Dream,  
Emerick the Stormblessed  
Kolfinna the Wise  
King and Queen of Calontir*

## — From Their Excellencies Vatavia —

Greetings to everyone,

September is special to Heidi and I, it marks our 2 year Anniversary as your Baronage. We are lucky to have such people as you all! Remember to drink lots of water and or electrolytes, stretch before you fight, and rest when tired. We want everyone to have fun and stay safe. If you have space and are able, please offer rides to those who might not otherwise be able to attend out of town events. If you need a ride, please reach out and we will help, if we are able. We look forward to seeing everyone at any events that they are able to attend. Please recognize and do award recommendations for Kingdom and Baronial Level Awards on people you feel are deserving. We would love to see more people recognized for the amazing things that they do.

Officers – please recruit deputies if you have not done so yet. Many of you are coming to the end

of your term. We have appreciated all of your efforts on behalf of the Barony. Hopefully, each of you have already started working with your deputies. The transition is much smoother if the person stepping up has had some exposure. Thank you to everyone for all of the work they do making the Barony run so smoothly. It is truly appreciated.

YIS,  
*Robert and Heidi*

## FROM THE SENESCHAL

Hello Vatavia!

What an eventful year! It has been so rewarding to see all of the attendance at all of our local meetings and seeing such a strong force of Vatavians traveling within Kingdom to events.

I want to thank everyone for keeping our meetings fun and light hearted without any unnecessary drama. The world has enough drama so I have been very grateful for everyone being respectful and keeping difficult and controversial topics outside of our gatherings.

We have the Great Plains Ren Faire demo September 27th & 28th, 2025. This event not only provides us with some money to cover our expenses for the year but it is also our most important recruiting event, so please sign up for a shift at the pop booth and be ready to show off how fun this hobby is. The more welcoming we are and the more fun we have the better our chances are to encourage someone to take the leap and join Vatavia. I will also have some food from the Valor that we had to cancel.

We will be taking optional donations to help us recoup some of those expenses.

We will likely have a couple of end of the year get-togethers again just like last year so please keep an eye out for any details. We are currently still without a Cut and Thrust marshal. If you are interested in those position please email their excellencies and I to get an interview/discussion started.

Remember: Don't be a jerk.

Yours in service,  
Brynni Falkason

## FROM THE KNIGHT MARSHAL

Greetings unto the Barony of Vatavia,

Remember to hydrate while fighting even as the weather cools off and regularly check your padding, weapons, and armor! Cooler weather can make older thrusting tips real stiff and we don't want to break out friends.

Fighter Practice is at MakeICT (5920 E Mount Vernon St, Wichita, KS 67218) from 10am to 2pm on most Sundays.

The Barony has a bunch of new loaner armor for newcomers so if you know anyone who might be interested in fighting, now is a great time to have them come out.

In service,  
HL Óyríkr 'Bardagatroll' Raðúlfsson, Knight Marshal

## FROM THE ARCHER MARSHAL

Archery practice is at two on Sundays at Ulfr and Alia's house in Andover. 12705 SW 90th Street, Andover, KS 67002. Bring your own chair and water. Check the barony Facebook if you can to see if there is last minute cancelation. High winds may mean we throw weapons instead.

More likely I will say high winds make it more fun. See you there. If temps are below 40 at noon or there is freezing rain we will cancel. There will also be no practice Autumn Arrows weekend. Kris Kinder weekend or last two weeks of December for the holidays.

YIS Donald Macdonald

## FROM THE DEMO COORDINATOR

Greetings Populace of Vatavia,

I want to thank the members who came to help at the Museum of World Treasures' Customer Appreciation Day. This is an annual event we have been invited to for over 20 years. Thanks to the efforts of His Excellency Robert the Scot, Ld Óttarr Langfótr, who had just returned from travels to far lands, and Ly Sadhbh of Theobald with her hurdy gurdy we had a large display with more variety than some other years.

We were contacted by Westumbria for help September 7th. They had been contacted by a Midrealm knight requesting help to do a fighting presentation, including providing equipment. With King's Companie of Archers few were able to answer the call. I want to extend special thanks to HL Magnus O'Carr aka Torin and Ld Vlad Zinonovich for traveling to Ft. Hays to assist with this fighter practice.

This quarter will end with the annual Fall Great Plains Renaissance Festival and Celtic Games September September 27th-28th. Once again there is a Kingdom event the same weekend. My heartfelt thanks in advance to all who I know will be putting in the extra effort to make this major demonstration and recruitment opportunity the success it has always been. A request by the Minnehau Core Knowledge Magnet Elementary School has been received to come and present to the 4th Grade doing a unit on the Middle Ages in Western Europe. This is still in the planning stages. Tentatively this will be October; but, no dates have been selected. Information will be made available as it is received.

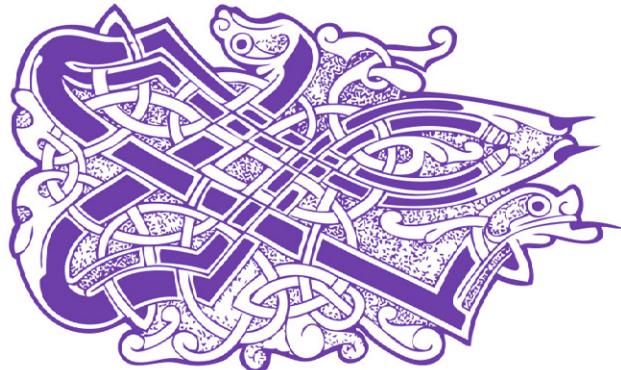

YIS

M Marie CD

## FROM THE CHATELAINE

With the Ren Faire approaching, this is our biggest recruitment event of the year! Be friendly and welcoming to all. I will have new business cards to hand out to populace members soon. Please let me know if you need Gold Key garb for Ren Faire.

In service,  
Aia Gold-Bearer, OL

## FROM THE ARTS & SCIENCES MINISTER

Greetings Vatavia!

A big thank-you to everyone who shared their time and knowledge teaching classes last month. Your generosity strengthens our group and keeps the spirit of learning alive in Vatavia.

As we move into the new season, we're looking forward to the Wichita Renaissance Festival. This is a wonderful opportunity to showcase the skills, crafts, and camaraderie that make our group so special. I encourage everyone to come out, support your fellow Vatavians, and help us share the dream with the wider community.

As always, if you'd like to teach at one of our Wednesday night Arts and Sciences gatherings, please reach out at [artsandsciences@vatavia.calontir.org](mailto:artsandsciences@vatavia.calontir.org). Your knowledge and passion help us all grow.

In service,  
Astrid Prime

## FROM THE CALTROP HERALD

Pennsic saw the participation of Vatavians. Master Jóhann Steinarsson once again stepped into the role of White Hawk heralding for Their Majesties Calontir. It also saw the recognition of the work of Lord Lugaid mac Erca bestowing the Order of the Torse for his service to Vatavia and Kingdom.

Master Jóhann was also active doing voice heraldry at our local Champions' July 16th and King's Companie of Archers September 7th. He also presented a class in August on voice projection and technique to six members interested in voice heraldry.

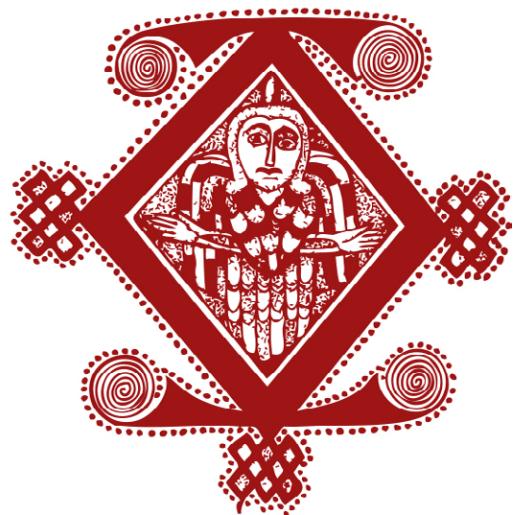

Work continues on the website Order of Precedence. At Officers' it was announced that there is an online format to collect information and heraldry for those members who now live in memory only. Any interested in assisting M. Marie on this 60 year anniversary project contact her.

Congratulations to all and excellent work heralds.

Ever in Service,  
Noble Valeriano di Rossi

---

Caltrop staff is pleased to announced the registration this quarter of Diglach Albanach alternate name to Astriðr Birnudóttir.

## FROM THE EXCHEQUER

Greetings, Vatavia!

Coming up, Vatavia has our fall Ren Faire! Please sign up to help with soda booth if you are able!

We will be working to issue refunds for Valor for people who were pre registered if they would like one now that we have received the funds from kingdom.

Currently the bank balance stands at \$17972.48.

If you have any questions, please feel free to email me at [exchequer@vatavia.calontir.org](mailto:exchequer@vatavia.calontir.org).

YIS, Alicia Niel

HL Torin made plans to go help. An invitation to participate in Wichita Public Library's DIY event November 1st is being considered. There is an October 1st deadline to register. Some members have been discussing resuming presenting at local conventions ass recruitment opportunities. It was noted any member can bring a request to the officers for consideration.

The current status of Vatavian heraldic proposals in process was given. There is a 60 anniversary online memorial project. Those wishing to help can do so Wednesday evenings at meetings or personally at the site. The MEWS has the link. The Chatelaine has ordered the business cards. They will be available by the Ren. Festival. The deadline for all submissions and letters, including Champion letters, is September 10th. The Baronial web site OP continues to be updated and past Dragonflyres archived.

The Exchequer reported a balance of \$17,972.48. The Kingdom check for Valor pre-registration in the amount of \$777 has been received and deposited. Emails will be sent to those who pre-registered regarding requesting reimbursement. There will be a deadline to make the request.

Fighter practice will continue outdoors as long as the weather permits before moving indoors. Members are reminded that only SCA members should be allowed entry through the door near the practice site. All Make ICT members and guests are to use the main entry door. The position of Cut and Thrust Marshal is still open. Archery practice information still needs to be posted on the Baronial calendar.

There are applications for the positions of Arts and Sciences Minister and Exchequer. Also a member has expressed interest in the Minister of Youth position. Interviews will be scheduled by the Seneschal and Baronage. The Web Minister will teach anyone interested in learning the system and tools for the position.

His Excellency reminded members to make award recommendations for both Kingdom and Baronial awards.

There being no other business the meeting adjourned.

## OFFICERS MEETING, AUGUST 2025

August 6, 2025 at Make ICT 5920 E Mt. Vernon, Wichita, KS 67226

9 Baronage/ officers/ deputies There were 8 members of the populace also present.

The Seneschal informed the populace that a non-member of either the SCA or Make ICT had entered the building through a propped open door during a fighter practice. The individual was stopped by a Make ICT member when found roaming around. People at practice need to watch that only members are entering, especially if doors are being left open for easy access for those at fighter practice.

Regional fighter practice is in Theobald August 9th. Winter War Maneuvers 2026 will be in Vatavia. The site is already reserved and paid for. Valor next year will use the plans made for this year. Any member interested in being a co-event steward for either of these events should talk to the steward for each event. It is an opportunity to learn how to host an event. It was noted that majority of the work is already in place.

Champions' will be August 16th at Úlfur's and Alia's manor. Bierocks will be provided by the Barony. Donations will be collected to cover the food cost. Side dishes will be the responsibility of the populace.

The other Valor meats will be used for meals at the Renaissance Festival in September. With Kingdom Arts and Sciences being the same weekend once again all those remaining in the Barony are asked to donate some time to help in the Dell and at the pop booths.

The Arts and Sciences announced that Master Jóhann will do a class on voice heraldry August 29th prior to the Ren. Festival . Caltrop staff updated the status of Vatavian proposals in process. The deadline for officer letters and any other submissions to the Dragonflyre is September 10th. The Web Minister has worked on the corrections to the Baronial web site; and, checked and updated entries in the Kingdom OP.

The Exchequer reported a balance of \$18,194.71. She reported that the required Make ICT membership is done through the year; and the storage rental is also paid through December. Officers were asked by the Seneschal to check where they were on their budget for the year. With the cancellation of Valor economizing and delaying expenditures to next year is requested. The Chatelaine is working on a quote for printing business cards which will be needed for the Festival.

The Knight Marshal announced that the new rattan handbook is online. The main issue is that fighters need to read the new guidelines. Major changes are sword and shield is not required as a first authorization; authorizations will be for only 4 years at which time re-authorizing will be required; and thrown weapons are allowed in tournaments. Fighter practice for August 10th will be determined if there are those, especially from outside the Barony, who wish to practice after the regional practice the day before.

The Archer Marshal will be getting access to the Baronial website and calendar in the near future. Currently archery information is available only on the Baronial Facebook site.

The end of the warrant for several officers will be coming up in the near future. There are also open officer positions. The Exchequer will step down at the end of this year. She would like her successor to be involved with the office before then to have an easy transition. Her deputy will be handling the pop booth at the Festival in September. She needs to be at Kingdom arts and Sciences that same weekend. The Arts and Sciences Minister had planned to step down at the Festival but may delay that change of office as well due to the Kingdom event. The Cut and Thrust Marshal and Minister of Youth positions are still open.

The next required bid proposal for the Barony is for Fall Crown 2027 and needs to be submitted by November 2026. This does not mean

that competing bids for any of the Kingdom events- Masters of the Duel, Queen's Prize tourney, Kingdom Arts and Sciences, Coronation, Crown, KCoA- cannot be made and submitted for consideration. Any member can submit a bid for an event they would like to host to the Baronage, Seneschal and populace.

There being no other business the meeting adjourned.

A very brief meeting of the officers present was held. Her Excellency Heidi asked that award recommendations be sent in. It is acceptable on the form to put 'unknown', for example on the question of what events the individual will be attending. She encouraged members to attend the regional fighter practice at Theobald College August 9th at Wilson Park in Arkansas City.

The Seneschal added his encouragement to attend this practice. He announced that there is a presentation at the Museum of World Treasures August 2nd for their annual customer appreciation day. Contact the demonstration coordinator if you are interested or need more information.
