FROM THE SENESCHAL

Greetings Vatavia!

First, I would like to thank Lady Catlin Marie du Moretaine for your assistance, wise advice and the smooth transition from you to me as the next Seneschal for our Barony. You are a great person and much appreciated!

With a great year soon to be behind us and looking forward to next year, there are a lot of opportunities ahead for one or all of us to learn something different maybe step outside of our comfort bubble. One thing for me is to sing or maybe perform in public. Learned this one at our Barnes and Noble Wrapping Demo. Thank you Your Excellency Marie and Lady Yikiko for showing me on how fun and entertaining it can be. Other ways to learn something new is what do our officers do for their positions? Find the time to maybe shadow one of our officers to see what their job entails. Hopefully it will be something insightful and maybe something new!

With the winter months ahead of us it is a great time to pull out and work on a project that you may have started or ideas that you may have been thinking about and not yet started, this would be the time to start. Always something to finish here in our house. If you need ideas on how to improve or how to do something, we have a lot of good people that can help if asked. If you do not know who to ask, any one of our officers or someone who has been around for a little bit, would be able to point you in the right direction.

We will be closing the next year budget plans to replace, build, fix and the planned events that will take place in the Barony. These plan projects will be posted on the Baronial calendar on the Baronyofvatavia.org website. The calendar will be updated once the next years plans are set. Thank you to everyone for your help and willing to serve! Without you we would not be!

In Service

Lord Robert Steven MacLaren

(Aka) Robert the Scot

FROM THE CASTELLAN

Greetings unto the populace of Vatavia,

We are moving back inside the Exploration Place practice right after the holidays. This means we will once again have more public moving through and around us so please bring whatever project you are working on and get people talking. I want to remind everyone that the Barony has some fantastic Gold Key garb that can get anyone who wants to come to any event get all garbed up/.

If you see any new faces around at practice, meetings, or populace be sure to introduce yourself and welcome them to the Barony.

In service,
Lord OyrikR Randulfsson CT

FROM THE CALTROP PURSUIVANT

Hello all, and Seasons Greetings be into you!

Do you have an Award of Arms? That means you- yes, you- can register your own device ("arms") with the Society! While people often associate heralds with being loud (which we are!), we can also help you come up with your device. This is like your own personal logo. You can use it to identify your things, decorate your possessions, and even add it to your garb!

May the new year bring you peace and prosperity!

Yours in Service,

Zoe Mikre

FROM THE EXCHEQUER

Good Day to all. With this being my last report as the Exchequer for the Barony, I wanted to thank everyone for the help and support over the past 3 years, it has been greatly appreciated! Please continue to be as helpful and supportive of our next Baronial Exchequer, Lord Konrad von Roth. Here is where The Barony sits on available monies as of the middle of December, 2019. We currently have a balance of \$17,421.30 in the bank. We have received the bank statement as of the writing of this message to you all, so the balance is according to the November statement and checks that were written earlier this month. If you have any questions please feel free to message me through the Baronial website email exchequer@baronyofvatavia.org.

YIS

Lady Margaret MacKenzie

FROM THE KNIGHT MARSHAL FROM THE DEMO COORDINATOR

Greetings from the Knight Marshal of Vatavia,
With the cold weather months upon us, we are moving Baronial fighter practice indoors at The Exploration Place, 300 N. McLean Blvd. Heavy armor and cut & thrust will begin at 12:00. The first practice at EP will be January 5th. I hope to see many people in armor out to kickoff the indoor season.

In service,
Brynjólfur Fálkason

FROM THE ARCHER MARSHAL

Greetings one and all, I hope everyone has had an eventful year of archery. I would also like to pass on another warm welcome to all of the new archers that have joined us this year. Archery practice will return to the park when the fighters move their practice back outdoors. I am looking for ways to keep practice from growing boring and stale so if you have any ideas about different things you might like to see at practice please let me know. If anyone is interested in becoming an archery marshal please see me and I can get you set up with the paperwork to get you on the path.

Lord Konrad von Roth
Barony of Vatavia Archery Marshal

FROM THE ARTS AND SCIENCES MINISTER

Greetings!
There will be a small Arts & Sciences competition at the Midwinter Merriment. It will be an on-site, winter themed illumination competition, with the winner taking home all cards to use as holiday cards if they wish.

Paper will be provided, as well as paint. If you'd like to bring your own paint you are welcome.

Please bring your own brush!

Contact me via email (egc4I4@gmail.com) or FB messenger to teach or request a class.

Remember also to snitch on your friends!

Eyfríðr Geirsdóttir

Holiday greetings Vatavia,

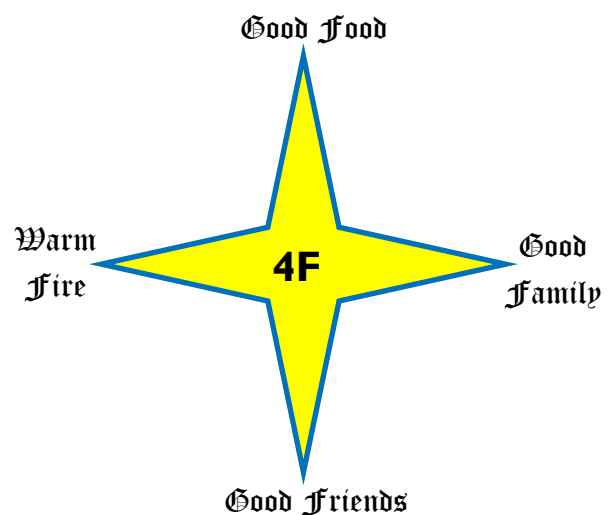

I would like to take this opportunity to thank all those who volunteered for the five presentations we had this quarter. It made for a busy end of the year.

I want to thank Her Excellency Genèvieve and Lady Yukiko for arranging and organizing the gift wrapping at Barnes and Noble December 6th. The group received a little over \$40 in donations. I especially want to thank Her Excellency Genèvieve and Lord Robert for traveling from their estates in the north to be part of the gift wrapping; and then, December 8th returning to help with Exploration Place holiday presentation.

Looking to the coming year there are already three presentations scheduled for Exploration Place. January 26th a presentation will be done on engineering to tie in with the new *Imagine* traveling show about imagination, innovation, and creativity producing new inventions and the extraordinary. There will be presentations March 29th and May 31st. Subjects for these two will be selected when the upcoming traveling exhibits are announced.

May all have a four F holidays: good food, family, friends, and a warm fire.

All the best-
Marie Chantal Delaire

Come close and hear, of an Artisan of Calontir
 Of our ancestors, brave, true, ancient Scots,
 Whose glorious hammers knew no blots;
 But blood & untainted & etched every vein,
 And everything ignoble did disdain.
 In that ancient century an artisan was born,
 Who could never see a goal left outside his eyes!
 All he needed was his mind and a convincing heart.
 Of such illustrations teachers true and bold,
 Who stoutly did maintain our skills of old,
 Who their malicious and ignorant foes,
 With hammers in hand, did gallantly expose.
 Dear William! Your vision has inspired many souls!
 Strong William! Creator and kindler of curiosity!
 Immortal are your skills and still encouraging a nation.
 Not man still alive,
 The kingdom is saluting you.

In this, this day of September, A.D. 50 at the 37th Tournament of Valon,
 in the Kingdom of Calontir, in the Barony of Vataria, these Lands that Burn,
 Duncan Bruce of Logan, Venerated Ruler, and Ylva Jonsdottir, Lady Speaker,
 summoned this man to their court. Having heard of his prowess of striking with his hammer,
 and having received gifts of his largess, they gathered their nobles, and presented him to them.
 Then Logan declared, "This man has sweated many hours with his hammer, so a hammer
 is now his symbol. Let none doubt his generosity and skill. Henceforth, he shall be granted
 tools and assistance necessary to continue his work: a forge, ashed, and two sheep, to continue
 his art. The Ylva shouted "This day, and all days after, may William Douglas be known
 as a member of the The Order of Silver Hammer!"

Elizabeth's Raven's name change and Eyfríðr's badge should be on the October letter. The third quarter *Dragonflyre* was posted September 30th. The Baronial Order of Precedence has been updated with the Valor Kingdom awards and the local awards from Ren fair.

The Exchequer sent in a report on the balance: \$18,352.59

Fighter practice will continue at OJ Watson Park as weather permits. Fighting will probably be on hiatus from Thanksgiving through New Year's. Indoor practice will begin at Exploration Place January 5th.

The new Seneschal, Robert the Scott, will take office at the October populace meeting. Applications are being accepted until October 23rd for the offices of Web Minister and Exchequer both who will be stepping down in January. Other vacant office will be accepting applications at a future date. Her Excellency thanked everyone for all their work and efforts during Valor and the Renaissance Festival. The volunteer prize drawing winners who were not at the Renaissance Festival but were in attendance at the meeting received their prizes.

There being no other business the meeting adjourned.

OFFICERS' MEETING | November 6, 2019

Make ICT, 5920 E. Mt. Vernon, Wichita, Kansas

18 members participated: 12 Baronage/ officers/deputies/ champions; 4members of the populace; 2 children

The contract for the site for the Yule Winter Merriment event in Andover January 4, 2020 has been received. There will be a finance committee meeting after the Officers' meeting to authorize this site budget. A Yule committee meeting will be held at this month's populace. Any suggestions for activities or to sponsor an activity should be presented to that committee or one of its members. The new Seneschal gave each officer a 14 month calendar to facilitate planning through December 2020.

The schedule for the themed presentations at Exploration Place for the beginning of the year is still being finalized. There is a winter themed presentation and scavenger hunt there on December 8th. A request has been received from the Museum of World Treasures for a presentation of a craft or skill by an artisan either September 2nd or October 7th, 2020 at 1:30 pm. See Marie if you are interested.

The Calontir Internal and External Letters for November have been posted. Each has Vataavian proposals for consideration. The deadline for letters and submissions for the December 31st *Dragonflyre* is December 11th. Next week's arts and sciences class will be Robert the Scot teaching how to make turn shoes.

The Exchequer reported a balance of \$18,345.59. Budget requests for the 2020 fiscal year are to be turned in by the January Officers' meeting. The Exchequer went over several financial policies. The Kingdom has asked that all reimbursements and associated paperwork on funds transfers be done by Christmas to facilitate reporting for the quarter and for the year end Domesday report. Deadlines for Non-Member Registration (NMR) fees and profit shares/donations delivery to Kingdom were announced. Failure to meet these deadlines will result in the suspension of the group. It was stressed that no funds may be withdrawn from event cash boxes, for any reason, except to be deposited in the bank account. All events must have a budget presented to the financial committee for approval, for Kingdom events at least three months prior to the event. **No** moneys can be distributed if a budget or the expense has not been authorized by the committee. Events can hold on site auctions but not online auctions or raffles.

Due to an event at OJ Watson Park the fighter practice for November 10th will be moved this one time to South Linwood Park. A winter work day will be scheduled sometime next month for C and T, armored combat, and archery participants. There will also be space to work on other projects such as leatherworking. An extra large mask is needed for the C and T loaner gear. Other loaner armor for the armored combat will be obtained over the break. Fighter practice will resume for the winter at the indoor site at Exploration Place on January 5th. Practices will start at noon.

The new Seneschal, Robert the Scot, presented his expectations for officers during his tenure. The lines of communication need to be reconsidered with the loss of the Yahoo Dragonfly-online group. Not every local member is on social media. It is proposed that changes in meeting schedules or locations and cancellations be made at a minimum at least three hours prior. This is especially an issue with changing weather conditions.

It is a goal to increase awareness of the Society at all events, including fighter practice and weekly meetings, by interacting with interested people and signage. The current projects are to be worked on over the winter months to avoid the last minute rush to complete things. The shade flies and entry banner painting need to be finished. New direction signs were proposed.

There being no other business the meeting adjourned

OFFICERS' MEETING | December 6, 2019

Make ICT, 5920 E. Mt. Vernon, Wichita, Kansas

17 members participated: 7 Baronage/ officers/deputies/ champions; 1 members of the populace participated; 7 adults and 2 children

Her Excellency encouraged members to attend the Yule event in Ark City for Theobald College December 7th. She also announced the presentations for the gift wrapping at Banes and Noble December 6th and Holiday trivia and scavenger hunt at Exploration Place December 8th. Local toy collection for local 'Toys for Tots' will end December 11th. The deadline for letters and submission for this month's *Dragonflyre* is December 11th. No new information is available on the status of Vataavian heraldic proposals. It was noted that the calendars for the group should mirror the information for all the sites and platforms. It was also noted that information needed to be updated to reflect current meetings and activities on hiatus. It was discussed whether this would be the responsibility of the Web

Minister or the Social Media Officer.

The Exchequer reported a balance of \$17,381.18 in the ledger. The November statement had not yet been received. The Midwinter Merriment site fee has been reduced and a new payment cut. The reimbursement for the Valor equestrian insurance has been received. A working budget for 2020 has been typed; it must be done by December 31st. The proposal for new archery equipment was summarized. Any additional requests in writing should be made by December 18th. It was noted that 2019 expenses came in under budget.

The Kingdom review of the Vataavian books will be done December 14th at Kris Kinder. All inventory updates need to be in by December 11th for inclusion in that review.

Once the officer change occurs after the Domesday is finalized by Kingdom there will be only three local members on the bank signature card. A fourth signatory was discussed.

Fighter practice is on hiatus for the holiday and will resume January 5th at Exploration Place. Archery practice is on hiatus until Spring. A work day for fighters, archers and any other members with projects is planned for the 21st at William Douglas's residence.

The Seneschal announced that letters are still being accepted for anyone interested in the Minister of Youth position. Several offices have changed recently and several will be changing. Each officer was asked to provide the date they assumed their office and/or the date of their warrant. He also asked who each officer has as an emergency deputy. He is still looking for a deputy Seneschal, which is a mandatory requirement of his office.

Both Her Excellency Genèvieve and Seneschal Robert proposed long term planning for projects and goals, possibly a five year plan. It would allow for saving for large expense items, anticipating needed future revenue, avoiding last minute building/sewing, and having resources when the unexpected happens; as it has in the past. Suggestions should be in writing by the end of the month. There being no other business the meeting adjourned
